Ref:

i) Private Placement Offer Letter and Information Memorandum dated December 23, 2019 ("IM") for subscription of Cumulative Redeemable Non – Convertible Preference Shares ("CRPS") face value of Rs. 10,00,000 each of L&T Infra Credit Limited (formerly known as L&T Infra Debt Fund Limited) ("Company").

Sub: Notice of premature redemption of CRPS under ISIN No. INE235P04065.

Dear Sir/ Madam,

1. The CRPS of the Company were issued to the Investors in accordance with the IM. Further, in terms of the clauses titled "Dividend and Redemption Premium" and "Premature Redemption" in the Terms of Issue of the IM, in the event of occurrence of any increase in tax rates applicable to any payments to be made by the Company to the Investors pursuant to the issuance of CRPS, including but not limited to a "Tax Adjustment Event" ("Tax Change Event"), the Company may, at its discretion, redeem the CRPS at any time after the end of 3 (three) years from the date of issuance of such CRPS ("Premature Redemption").
2. Pursuant to change in dividend taxation regime in accordance with provisions of Income-tax Act, 1961, dividend payment on CRPS is taxable in the hands of the investors. Such amendment has resulted in an increase in tax rates applicable to any payments to be made by the Company to Investors pursuant to the Issue. Accordingly, this is to inform you that the Company has decided to exercise its right of Premature Redemption in accordance with the terms of the IM and will redeem all the outstanding CRPS issued under the IM.
3. Further in terms of the IM, the Company is required to pay the CRPS Holders (as defined in the IM), dividend in accordance with the Clause titled "Dividend and Redemption Premium" set out above as well as a Redemption Premium (as defined in the IM) so as to ensure that the investor is provided with the Effective Net Yield as applicable to the relevant option of CRPS, calculated up to and including the date of such Premature Redemption.
4. Since the Company has decided to undertake Premature Redemption of the CRPS, the Company is required to calculate the applicable tax rates for each Investor for the purpose of computing the effective net yield. We therefore request you to provide a self-certified declaration of the tax rate applicable for such Dividend and Redemption Premium in the format provided at Annexure 1 and share the same latest by March 03, 2023 at CRPSTAX@ltfs.com along with supporting evidences (for applicable tax rate i.e. last filed Income tax returns, etc.). We will intimate the final redemption details on receipt of the complete information from the Investors. In the event the requisite information is not received on or before March 03, 2023 we will presume standard tax rate is applicable on Dividend/LTCG and process the redemption on basis of the same and credit to the bank account of the investor as per the detail available in our records as on record date
5. The Record Date for Premature Redemption shall be March 03, 2023 & date of redemption of CRPS shall be March 20, 2023.
